~ Surgeon, HFHS – Detroit, MI

## Rave Reviews

□ "Your ability to translate challenging topics into real world solutions -speaks well to your adaptability, flexibility and focus on the customer audience. This is a true talent."

VP, Mortgage and Banking, Jacksonville, FL

□ "...was an excellent presenter inspiring interest in a difficult topic."

Systems Administrator, Bloomington, MN

□ "In my GIPM role, ... I like to sit in on the training mainly to see and hear the customers reaction and feedback to the product. In today's session, I was very impressed with the content and the way you presented it within the allotted time frame... Michel, Again, thank you for helping our business users understand the change ...."

VP, Oil & Gas Client, Houston, TX

## About Michel

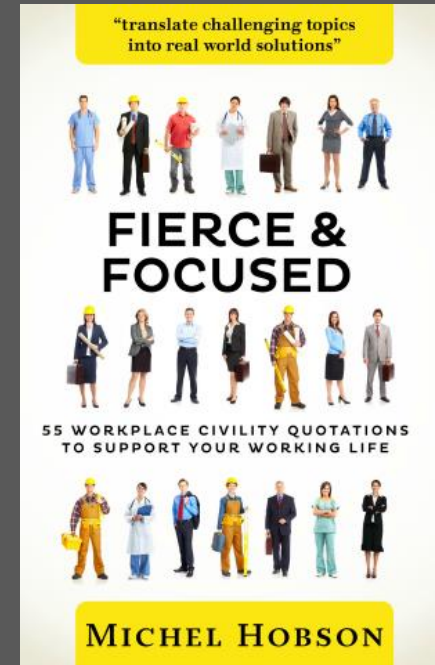

She has managed several corporate training implementations and conducted numerous Train-the-Trainer sessions for new and experienced professional trainers, and subject matter experts (SMEs).

Michel has a M.A. in Training and Development, and is academically trained in Conflict Resolution and Mediation. Special interests include travel to sandy beaches, friends and family – and all flavors of coffee from around the world. Although a road warrior, her eclectic shoe wardrobe resides in a northern suburb of Dallas, TX
